2. We come to worship You
As different people joined as one.
One church, one voice, one song,
All saved by grace in Christ alone.
3. We come to worship You
In times of trouble, times of doubt.
One church, one voice, one song,
And in our weakness You are strong.
4. We come to worship You,
To celebrate when life is good.
One church, one voice, one song
To honour You, our faithful One.
5. We come to worship You
With all the gifts You give to us.
One church, one voice, one song
To see Your will on earth be done.
